

PLIÉ BED | Detail Sheet

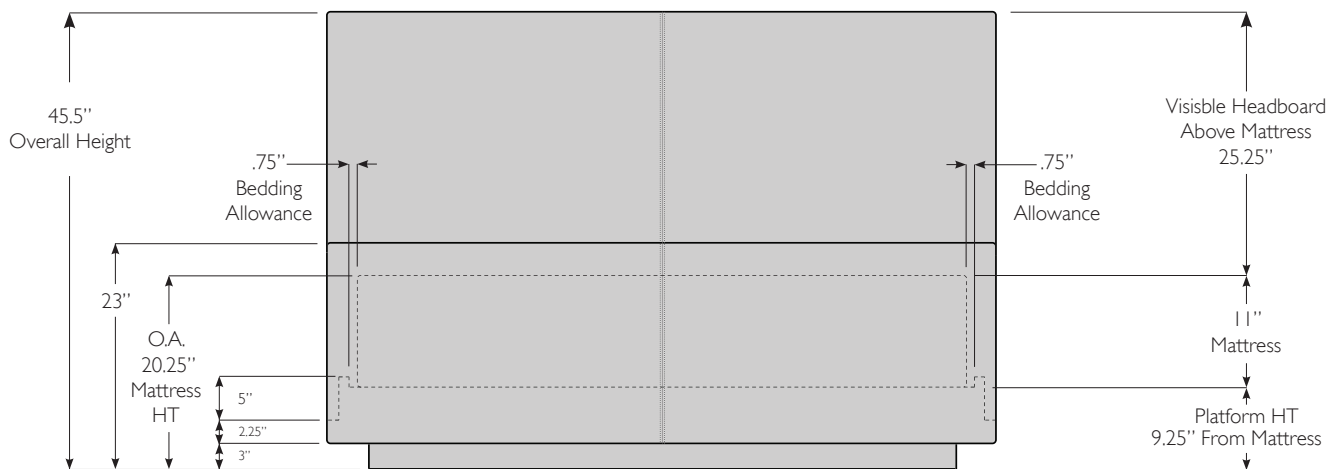

Please attach to sales order.

Quote No. _____ Client Name _____ Date _____

IMPORTANT NOTES

- The Plié Bed is designed to be used with a mattress only, resting on the bed platform.
- The Plié Bed will not accommodate box springs.
- The Plié Bed will not accommodate mattresses with rigid internal wood frames.
- Bed platform deck is 9.25" from floor: Add 9.25" to the mattress thickness for the **overall (O.A.) mattress height**.
- Please verify that the difference between the O.A. mattress height and the headboard height are satisfactory as mattress heights may vary widely.

CLIENT MATTRESS DIMENSIONS _____ W × _____ L × _____ H

* Dimensions are based on use of a 11" H mattress

STANDARD AMERICAN MATTRESS DIMENSIONS

Queen 60"W × 80"L

King 76"W × 80"L

EUROPEAN MATTRESSES (i.e. Duxiana, Hastens, Hypnos, etc.) may be wider or higher than the standard American dimensions. Many are made as combo mattress/box springs with internal wood frames and legs to the floor for support. These may not fit standard size beds.
